Brand New Book ***** Print on Demand *****.Everyone says that Christmas is a magic time, but could there be more to that saying than just a clever platitude for holiday greeting cards? The X-mas Files vows to find out if the truth really is out there. The book is a complete compendium of real Santa Claus sightings, holiday ghost stories, angel and magical creature encounters, and real Christmas miracles. From spotting Santa's sleigh on Christmas Eve to receiving visits from ghosts during the holidays, from miraculous healings to angelic interventions, the witnesses in this book provide evidence and testimony that there really is something magical about Christmas. The book is divided into five sections. The first three cover Claus Encounters of the First, Second, and Third kinds. Claus encounters of the First Kind are cases that feature witnesses who have seen flying objects during Christmas. Second and third kinds are more up close and personal encounters with the Man in Red. Next, we'll hear tales about spirits and ghosts that haunt our houses, mansions, and castles during this festive time of year. Angels, we'll also discover, aren't just hanging out at the top branch of the Christmas tree, they are all around us during the holidays. Then, we'll be amazed by accounts of Christmas miracles and cases of holiday healings. Each section features dozens of stories from dependable sources. Whether you're a believer or a skeptic, a Scrooge or a Santa wannabe, there's something for you in the X-mas Files.
