Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our society understands how terrible the loss of a child is when that child is out of the womb, but what about when a child dies before birth? Or what about the emptiness that comes when a very-much-wanted child is never even conceived? These quiet, private losses are hard for those who have not experienced them to understand. And these losses leave those who have suffered them feeling alone in their grief. Not Alone: A Literary and Spiritual Companion for Those Confronted with Infertility and Miscarriage is a resource both for those who have suffered through these experiences and for their friends and relatives, who want to understand what their loved ones are going through. This collection contains true stories that are: sensitive, and yet honest angry and raw, but not despairing unique, and yet relatable The contributors to this book are male and female, old and young, some who eventually had children and some who never did, and yet despite their differences, they share a common grief and a common faith. No experience of miscarriage and infertility is like any other, yet by reading these painful and hope-filled stories, you ll be comforted by knowing there are others who understand the journey you re on, the loss you ve suffered, and you will find that even though your loss is uniquely yours, you are not alone.
